COOKIES' POLICY

1. What are cookies?

Cookies are small files which are stored on your computer. They are designed to hold a small amount of data specific to your website visit on our site. The only cookie currently in use on this website is used to support analysis and understanding of how people use the website. This analysis is to help improve the usage and effectiveness of the website. The data collection and reporting behind this analysis is currently provided by Google Analytics.

Users' continued use will indicate agreement to the use of a google analytical cookie. More information on this cookie and advice on how to stop this cookie being used is set out below.

Cookies won't harm your computer and we do not store any personal identifiable information in the cookies we use on this website.

2. Cookie usage

The cookies in use to deliver the Google Analytics service are described in the table below:-

Cookie	Title	Description
_utma _utmb _utmc _utmv _utmz	Google Analytics	These cookies are used to store information, such as what time your current visit occurred, whether you have been to this site before and what site referred you to the web page. These cookies contain no personally identifiable information, but they will use your computer's IP address to know from where in the world you are accessing the internet.
