LTA COUNTY CUP RACE 2025

The LTA's County Cup Race takes into account all County Cup results from 9U through to Men's, Women's and 35s County Cup events. Base points are awarded on how high a division a team is in, and additional points for a win. In the junior, there are additional points to be won if you qualify for a national play offs event (although no points are provided to teams who directly qualify due to their existing player strength and Kent therefore lose out on points here).
